**TASK A** Read the paragraphs A - E from Walt Disney's biography. Then put the paragraphs in the correct order.

A \_\_

Walt attended the Chicago Art Institute and drew for the school newspaper. When he was 16 he wanted to fight in World War I but he was too young so he joined the Red Cross, spending the next year driving ambulances in France.

B \_\_

Walt had to start again and this time he created a new character, Mickey Mouse. He made the first animated film with sound and it was a great success. In 1937, Disney made a long animated film called Snow White and the Seven Dwarfs and in 1955 he opened a big theme park, Disneyland.

C \_\_

Disney died on December 15, 1966 but his movies and theme parks are still enjoyed by millions of people each year. His company continues to produce wonderful movies and entertainment.

D \_\_

Walter Elias Disney was born in Chicago in 1901. When he was young, he liked drawing very much and he often sold his drawings to the local barber for free haircuts.

E \_\_

Disney returned to the States and began his career as an artist. He learned about animation and created short animated cartoons. In 1923, he moved to Hollywood, California and opened a new business with his brother Roy, the Disney Brothers' Studio. The business was a success, but Universal Studios took almost all of Disney's animators.
