

Write a message to introduce yourself on a social network.

The screenshot shows a social network site interface. At the top, the URL 'englishmates.com.uk' is displayed in a search bar, with icons for home, profile, and search. Below the search bar is a comment box with the placeholder text 'Write a comment ...'. To the left of the comment box is a purple speech bubble icon. Below the comment box is a white box with the text: 'Welcome to englishmates, where you can make new friends around the world.' Below this is a 'Users' section with five user profiles: Sung Hee (Busan, Korea), Simone (Chicago, USA), Tahir (Setif, Algeria), Alex (Kiev, Ukraine), and Marina (Cali, Colombia). A 'View all' link is below the user list. At the bottom of the post area, it says 'Friday at 7:01 p.m. • Comment • Like'. The background of the interface is light blue with horizontal dotted lines for writing.
