

Listen and fill in the blanks

_____ use an electric bass. It looks like an _____, but with only
_____. Lenny wants to play an instrument too. He thought about playing
the guitar. He could play that with his parents, but not in the _____. Then
he thought about playing the fiddle. The fiddle is the same instrument as the
violin. It is called the fiddle when you use it to play _____. This way, Lenny
could play fiddle with his parents. Then, using the very same instrument, he
could play _____ at school!
