## Unit 9 – Reported questions (2)

**A. Read and choose the sentence which goes in each gap. There is one sentence you don't need.**

**An Amazing Project**

We did a really strange but cool project at school last term. Our teacher told us to think about the buildings in our town and how we could change them. **1** ____ At the end of the discussion, nobody had thought of anything interesting to do. **2** ____ We asked the teacher to give us some ideas, but she said she wanted us to be more creative. So, then she asked us a specific question. **3** ____ Immediately everybody had a lot of ideas of the different ways we could paint things. It's hard to be creative when you think about something generally, but if you can focus on a particular point it really helps you find ideas!

a) In fact, this didn't surprise our teacher.

b) We tried very hard to understand what the problem was.

c) We discussed this in groups and then we shared our ideas with the class.

d) She asked what we would do if we could decorate any of the buildings.
