

THE NATURAL WORLD

1 Complete the text with the expressions from the box.

[cut down trees plant new trees
~~is in danger~~ pollute the environment
recycle rubbish save animals]

ECO-FRIENDS

The earth ⁰ is in danger!

We must do something!

Big factories ¹ _____!

If we don't do something, the air will be so dirty that we will not be able to breathe!

People ² _____ in the rainforests!

If we don't stop them, we will live in a world without animals and plants.

Our organisation helps to ³ _____, such as tigers and whales.

We ⁴ _____ and produce new materials such as paper and glass.

We also ⁵ _____ so that we can save the forests.

Be eco-friendly!
