

The story of Mowgli is well-known. Mowgli is a little boy (1) **whose** / **who** parents leave him in the jungle when a tiger, called Shere Khan, attacks them. Mowgli stays in the jungle (2) **which** / **where** he makes new friends, like Balloo the bear and Bagheera the panther. All the animals (3) **who** / **which** live there love Mowgli and protect him from Shere Khan (4) **who** / **which** wants to take him away. One day Mowgli visits a village (5) **that** / **where** people live and finds a woman (6) **whose** / **who** is his real mother.

- 1.** This is the digital camera that I bought it for Maggie.
- 2.** A pilot is a person who he flies planes.
- 3.** The armchair which I've got it in my bedroom is red.
- 4.** Look at that parrot which it is flying through our window!
- 5.** I met a girl last night who she is really beautiful.
- 6.** Where are the CDs that you were listening to them yesterday?
