3. Let's write about your house.

Hi, my name is Tom. I live in a house in the city. There are five rooms in my house: a living room, a kitchen, a bathroom, and two bedrooms.

In the living room, I can see a sofa, a table, and a TV. I can watch TV and play games there.

In my bedroom, I can see a bed, a desk, and a lamp. I can sleep, read books, and do my homework.

I like my bedroom most because I can play and relax there.

How about you? Tell me about your house.
