

Decent Work & Sustainable Cities: True or False

Instructions: Read each statement carefully and determine if it is **True** or **False** based on the conversation.

No.	Answer	Explanation
1		Sarah says it is not just about buildings, but also about poverty and access to work.
2		She mentions fair pay should cover basic needs so people aren't struggling to eat.
3		Leo clarifies that a job isn't "decent" if a worker can be fired tomorrow for no reason.
4		Sarah explicitly mentions healthcare and pensions as part of social protection.
5		Leo observes that men often get senior roles while women stay in junior positions.
6		She states that no one should face discrimination or forced labor.
7		Leo says he imagines economic growth would skyrocket with a more skilled workforce.

8		Leo raises a concern about the cost, and Sarah suggests subsidies might be needed.
9		Leo admits it is a struggle and that he often works until 10:00 PM.
10		Sarah states this in her closing summary, and Leo agrees with her.
