

Chapter 1

Family & Friends

Q1: How many members are there in your family? Name them.

Answer: My family has six members. They are mother, father, grandmother, grandfather, twin brother and me.

Q2: How do you help your elders in your family?

Answer: I help my elders in the family by bringing water, keeping room clean and helping in small tasks.

Q3: Why is it important to spend time with your family?

Answer: Spending time with family makes feel happy, loved, cared for and also help us to learn from each other.
