VALENTINE'S DAY BUDGETING CHALLENGE

Instructions: You are planning a Valentine's Day party for your class, and you have a budget of \$50. You need to decide how to spend your money wisely to get the best decorations, treats, and activities while staying within your budget.

RULES

- You must buy at least 3 different types of items.
- You cannot exceed your \$50 budget.
- You should try to get the best deal by comparing prices and discounts.

SHOPPING LIST (PRICES & DEALS)

Item	Cost	Special Deals
Heart Balloons (10-pack)	\$5.50	Buy 2 packs, get 1 free

YOUR PURCHASES

Fill in the table below with the items you choose and calculate your total cost. Apply any discounts where applicable!

Item	Quantity	Total Cost (after discounts)
Total:		\$

Reflection Questions:

- 1.What was the most cost-effective purchase you made?
- 2.How did unit rates or discounts affect your choices?
- 3.If you had an extra \$10, what would you add?
