

## Nouns

### Adding -s

| Singular                                                                                  | Plural                                                                                     | Singular                                                                                    | Plural                                                                                        |
|-------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|
| <br>Shoe | <br>Shoes | <br>Clock | <br>Clocks |
| <br>Ball | <br>Balls | <br>Spoon | <br>Spoons |
| <br>Car | <br>Cars | <br>Cup  | <br>Cups  |

### Adding -es

| Singular                                                                                     | Plural                                                                                         | FINAL sh, ch, s, x, z, o                                                                       |                                                                                                   |
|----------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
| <br>Box   | <br>Boxes   | <br>Glass  | <br>Glasses  |
| <br>Brush | <br>Brushes | <br>Tomato | <br>Tomatoes |
| <br>Watch | <br>Watches |                                                                                                |                                                                                                   |

## Adding -ies

| Singular                                                                                   | Plural                                                                                       |                                                                                                                                                                                            |
|--------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <br>Bunny | <br>Bunnies | <p>When nouns end with <b>y</b> we add <b>ies</b> to make plurals.</p> <p>If there is a vowel before the <b>y</b> then <b>s</b> is added.</p>                                              |
| <br>Pony  | <br>Ponies  |                                                                                                                                                                                            |
| <br>Story | <br>Stories |                                                                                                                                                                                            |
|                                                                                            |                                                                                              | <br>Monkey <br>Monkeys |

**EXCEPTION:** When a noun ends with **-f / -fe**, the ending turns into **-ves** in the plural.

**a knife**  
**two knives**

**a leaf**  
**more leaves**

LangCorr | Easy correction. More time.

## Irregular

Some nouns have different plurals.

Singular

Child

Man

Tooth

Plural

Children

Men

Teeth

Singular

Foot

Woman

Mouse

Plural

Feet

Women

Mice
