

Our Team

I live in Mexico City. It's the biggest city in Mexico. There are a lot of people in Mexico City. They come from all around the world.

At my school we have a lot of clubs and teams. I'm on a basketball team. My sister is in a music club and a dance club. A club is a great place to make friends.

My best friend is on the basketball team. His name is Yoshi. He has short dark hair and brown eyes. He's brave and he's funny. He can throw and he can run. Yoshi is fast. He's the fastest player on the team. He's from Japan. We also have players from Brazil, Italy, China, and Mexico, of course. We're fast and strong. We're the best team!
