Lina

Last weekend, I went camping with my family. We packed a rucksack with a sleeping mat, a blanket, and a compass. At night, it was very cold, so I wore a woolly hat and gloves to keep warm. My dad used matches to start a fire. We slept in a shelter, and I felt very comfortable.

Ben

My sister works as a costume designer at a theatre. I sometimes visit her and watch the performers practice. Last Sunday, I saw a comedian and an acrobat at a small concert hall. It was so exciting! One day, I want to be a camera operator because I love filming shows.

Maya

Yesterday, I went to an art gallery with my best friend. I wore a smart dress with a bracelet and a watch. The gallery was very modern and beautiful. We saw many amazing paintings. After that, we went to a science museum nearby. It was a fun and interesting day!
