Imagine you are a friend of Carl's from the reading activity above. Write an e-mail to him giving him advice about his problem.

Score

READING

Read the text and write T for True or F for False.

Hi Ellie!

How are things? I've got a problem and I'm not OK. You see, I'm looking after my best friend's goldfish while he's on holiday. Everything was fine until yesterday when my mum told me that we are going to visit my grandparents and stay with them for a week. The problem is that my grandparents live in another city! And we're going to go by plane. Can I even take the goldfish with me to the airport? I just don't know. Anyway, what should I do? If I call my best friend and tell him, he'll get upset, won't he? I could just ask my neighbours to look after it. Or is that a silly idea?

Write back as soon as you can.

Carl

1. Carl is writing to Ellie to ask her for advice.
2. Carl's best friend has just had a holiday.
3. Carl and his grandparents don't live in the same city.
4. Carl's friend doesn't want Carl to be upset.
