I'm going to talk about the \_\_\_\_\_ for my parents' \_\_\_\_\_. There are three options: going to the beach, mountain hiking, and visiting their hometown.

In my opinion, going to the beach is the best choice. I think it would be a very \_\_\_\_\_ and \_\_\_\_\_ present for them. First of all, going to the beach is \_\_\_\_\_ and \_\_\_\_\_, so it is perfect for a wedding anniversary. My parents could spend \_\_\_\_\_ together, enjoy \_\_\_\_\_, take nice photos, and get away from their \_\_\_\_\_. It would help them feel happier and more refreshed.

Although mountain hiking is a good activity, it can be quite \_\_\_\_\_ and may not be \_\_\_\_\_ for my parents. Regarding visiting their hometown, it is \_\_\_\_\_ and meaningful, but it may be less \_\_\_\_\_ than a beach trip because it is not as relaxing or enjoyable.

To sum up, I believe that going to the beach is the most \_\_\_\_\_ and suitable option for my parents' wedding anniversary.
