When the night has come
And the land is
And the moon is the only light we'll see
No I won't be afraid
Oh, I won't be afraid
Just as long as you stand, stand by me

So darling,
Stand by me, oh stand by me
Oh stand, stand by me
Stand by me

If the sky that we look
Should tumble and fall
Or the mountain should crumble to the sea
I won't cry, I won't cry
No, I won't shed a
Just as long as you stand, stand by me

And darling, darling
Stand by me, oh stand by me
Oh stand now, stand by me
Stand by me

Darling, darling
Stand by me, oh stand by me
Oh stand now, stand by me, stand by me
you're in trouble won't you stand by me
Oh stand by me, oh won't you stand now, stand
Stand by me...
