## Reading Time

Read the text and answer the questions.

Anna is eleven years old. She lives in a small town with her parents and her little brother. Every school day, Anna gets up at 6:15, makes her bed, and eats cereal for breakfast. She walks to school with her best friend, Maya. In the afternoon, Anna does her homework, practices the piano, and helps her mother set the table. On Fridays, she visits the library and borrows a new book. At night, Anna reads for twenty minutes before she goes to sleep.

### True or False

Write T or F.
