

Option A: My Best Friend

My best friend is Nam, who is also my classmate. He is a very kind and helpful person. We often study together and help each other with difficult English homework. In our free time, we enjoy playing football or going to the park. I am very happy to have a loyal friend like him by my side.

Option B: My Last Holiday

Last summer, I went to Vung Tau beach with my family. The weather was sunny and perfect for swimming. We stayed at a beautiful hotel near the sea and ate a lot of delicious seafood. I also took many photos of the sunset. It was a wonderful trip because I felt very relaxed after a busy school year.

Option C: My Wonderful Sundays

Sunday is my favorite day of the week because I can relax. I usually wake up late and have a big breakfast with my parents. In the afternoon, I often read my favorite books or listen to music. Sometimes, I go out for coffee with my friends. Sundays help me recharge my energy for the new week ahead.
