

## BUILD-UP TO MAIL-IN : TOWN EDITION

Drag and drop the sentences into the correct email parts.

The image shows a simulated email composition window. At the top, there are three colored window control buttons (red, yellow, green) and a title bar that says "New message" with a pencil icon on the right. Below the title bar, there are two input fields: "To" and "Subject", each followed by a grey rectangular placeholder. The main body of the email is a large white area containing several horizontal grey bars of varying lengths, representing lines of text to be placed into the email. At the bottom of the window, there is a blue bar containing a white "SEND" button on the left and a row of icons on the right: a paperclip, a camera, a download arrow, a smiley face, a trash can, and a vertical ellipsis.

I am writing to tell you about places in my town.

I hope you can visit my town soon.

Visiting My Town

Hi Ali,

ali123@gmail.com

There is a big park near my house. I like going to the library because it is quiet. Besides, the shopping mall is very interesting.

Your friend,  
Amin

How are you?
