

What could the missing questions be?

What could the missing questions be?

Use the images and questions provided to create your own **branching tree diagram**:

Does it have a fin or sail on its back?

Does it walk on two legs?

Does it fly?

Does it have legs?

Does it have stripes?

Does it have a horn?

Remember: Start with a **yes/no** question that splits the objects into **two similar-sized groups**.

Task B Create a branching tree diagram

Example answer:
