 - D. Ignoring pollution

19. Freedom of religion allows individuals to:
- A. Be forced to believe
 - B. Avoid all laws
 - C. Choose their religion freely
 - D. Follow one religion only
20. Environmental protection refers to:
- A. Ignoring pollution
 - B. Destroying land
 - C. Preserving natural resources
 - D. Increasing waste
21. Social media is mainly used for:
- A. Isolation
 - B. Mining
 - C. Farming
 - D. Communication
22. Social media is mainly used for:
- A. Farming
 - B. Communication
 - C. Mining
 - D. Isolation
23. Global warming refers to:
- A. Rising global temperatures
 - B. Cooling temperatures
 - C. Rainfall
 - D. Daily weather
24. Global warming refers to:
- A. Rising global temperatures
 - B. Cooling temperatures
 - C. Rainfall
 - D. Daily weather
25. Global warming refers to:
- A. Cooling temperatures
 - B. Rainfall
 - C. Rising global temperatures
 - D. Daily weather
26. Freedom of religion allows individuals to:
- A. Choose their religion freely
 - B. Be forced to believe
 - C. Avoid all laws
 - D. Follow one religion only
27. Freedom of religion allows individuals to:
- A. Be forced to believe
 - B. Follow one religion only
 - C. Choose their religion freely
 - D. Avoid all laws

28. Global warming refers to:
- A. Daily weather
 - B. Cooling temperatures
 - C. Rainfall
 - D. Rising global temperatures
29. Global warming refers to:
- A. Rising global temperatures
 - B. Daily weather
 - C. Cooling temperatures
 - D. Rainfall
30. Global warming refers to:
- A. Rising global temperatures
 - B. Rainfall
 - C. Cooling temperatures
 - D. Daily weather
31. Social media is mainly used for:
- A. Mining
 - B. Isolation
 - C. Farming
 - D. Communication
32. A multicultural society is one that:
- A. Has no culture
 - B. Has many cultures
 - C. Has one religion
 - D. Has one culture
33. Freedom of religion allows individuals to:
- A. Follow one religion only
 - B. Choose their religion freely
 - C. Avoid all laws
 - D. Be forced to believe
34. A multicultural society is one that:
- A. Has no culture
 - B. Has one culture
 - C. Has one religion
 - D. Has many cultures
35. Global warming refers to:
- A. Cooling temperatures
 - B. Rainfall
 - C. Daily weather
 - D. Rising global temperatures
36. A multicultural society is one that:
- A. Has one religion
 - B. Has one culture
 - C. Has no culture
 - D. Has many cultures

37. Global warming refers to:
- A. Daily weather
 - B. Cooling temperatures
 - C. Rainfall
 - D. Rising global temperatures
38. Environmental protection refers to:
- A. Preserving natural resources
 - B. Ignoring pollution
 - C. Destroying land
 - D. Increasing waste
39. NIB provides:
- A. Trade services
 - B. Loans
 - C. Taxes
 - D. Social security benefits
40. NIB provides:
- A. Loans
 - B. Trade services
 - C. Taxes
 - D. Social security benefits
41. Global warming refers to:
- A. Cooling temperatures
 - B. Rising global temperatures
 - C. Daily weather
 - D. Rainfall
42. Social media is mainly used for:
- A. Communication
 - B. Farming
 - C. Mining
 - D. Isolation
43. Global warming refers to:
- A. Rising global temperatures
 - B. Rainfall
 - C. Daily weather
 - D. Cooling temperatures
44. A multicultural society is one that:
- A. Has one culture
 - B. Has no culture
 - C. Has many cultures
 - D. Has one religion
45. Social media is mainly used for:
- A. Mining
 - B. Farming
 - C. Isolation
 - D. Communication

46. Global warming refers to:
- A. Rainfall
 - B. Daily weather
 - C. Cooling temperatures
 - D. Rising global temperatures
47. Social media is mainly used for:
- A. Farming
 - B. Isolation
 - C. Communication
 - D. Mining
48. A multicultural society is one that:
- A. Has one religion
 - B. Has no culture
 - C. Has one culture
 - D. Has many cultures
49. Environmental protection refers to:
- A. Ignoring pollution
 - B. Increasing waste
 - C. Preserving natural resources
 - D. Destroying land
50. NIB provides:
- A. Social security benefits
 - B. Taxes
 - C. Loans
 - D. Trade services
51. Environmental protection refers to:
- A. Destroying land
 - B. Preserving natural resources
 - C. Increasing waste
 - D. Ignoring pollution
52. Freedom of religion allows individuals to:
- A. Follow one religion only
 - B. Choose their religion freely
 - C. Be forced to believe
 - D. Avoid all laws
53. Global warming refers to:
- A. Rainfall
 - B. Daily weather
 - C. Cooling temperatures
 - D. Rising global temperatures
54. A multicultural society is one that:
- A. Has one culture
 - B. Has one religion
 - C. Has no culture
 - D. Has many cultures

55. Social media is mainly used for:
- A. Communication
 - B. Isolation
 - C. Farming
 - D. Mining
56. Social media is mainly used for:
- A. Farming
 - B. Isolation
 - C. Communication
 - D. Mining
57. NIB provides:
- A. Loans
 - B. Taxes
 - C. Trade services
 - D. Social security benefits
58. Environmental protection refers to:
- A. Ignoring pollution
 - B. Preserving natural resources
 - C. Destroying land
 - D. Increasing waste
59. Social media is mainly used for:
- A. Communication
 - B. Isolation
 - C. Mining
 - D. Farming
60. A multicultural society is one that:
- A. Has one culture
 - B. Has no culture
 - C. Has one religion
 - D. Has many cultures
61. Social media is mainly used for:
- A. Mining
 - B. Farming
 - C. Isolation
 - D. Communication
62. Environmental protection refers to:
- A. Increasing waste
 - B. Destroying land
 - C. Ignoring pollution
 - D. Preserving natural resources
63. NIB provides:
- A. Taxes
 - B. Loans
 - C. Social security benefits
 - D. Trade services

64. Global warming refers to:
- A. Daily weather
 - B. Rainfall
 - C. Rising global temperatures
 - D. Cooling temperatures
65. A multicultural society is one that:
- A. Has no culture
 - B. Has one culture
 - C. Has many cultures
 - D. Has one religion
66. Global warming refers to:
- A. Cooling temperatures
 - B. Daily weather
 - C. Rainfall
 - D. Rising global temperatures
67. A multicultural society is one that:
- A. Has many cultures
 - B. Has one religion
 - C. Has one culture
 - D. Has no culture
