

Our Working Environment

Name:

Group:

I work _____ PKV Solutions, a company _____ a modern working environment. Here, employees often arrive _____ the office _____ the early morning, usually _____ 8:30 a.m., and settle _____ their desks _____ their cubicles.

_____ the day, meetings take place _____ the conference room. _____ a few years ago, remote work has become common, so we are able to work _____ our homes _____ virtual platforms when necessary.

_____ lunchtime, coworkers gather _____ the lounge area or sit _____ the building _____ shaded areas _____ the garden, enjoying a pause _____ tasks.

_____ the afternoon, deadlines approach, and people focus intensely _____ their projects. Some employees work better _____ night, completing tasks _____ the next day begins, while others prefer productivity _____ the morning. Files are stored _____ online shared hard drives, accessible _____ any location, whether employees are working _____ home or _____ the office.

_____ work hours, colleagues meet _____ a nearby café _____ Fridays to relax and socialize. Overall, the work environment is shaped not only by the physical space people occupy _____ the building but also by the timing of their activities _____ the day and week, creating a dynamic balance _____ collaboration and individual effort.
