

Listen to the podcast and fill out the gaps

1. Love and marriage go together like aand carriage.
2. I think it's a bit of an archaic.....these days.
3. *Commitment* means being with one person and giving up the idea of beingto do whatever you want and see whoever you want romantically.
4. It makes society, more stable.
5. So, for Dan commitment and being in a committedis a good thing.
6. Children ofparents are less likely to get married themselves.
