EXPERIENCES

3) Leé los siguientes textos y uní con las imágenes que correspondan. Prestá atención a las palabras en **negrita** para guiarte.

- 1: Well – I live in **London** and I wouldn't like to live anywhere else. I like doing different things and people. That's what I like. I've never liked the country much. I once went to stay with my cousin – she lives in a little village. Well, I couldn't sleep – it was too quiet!
- 2: I like the simple life, I like being outside and I love horses and riding, so of course the best place for me to live is on **a farm**, and that's exactly where I live! I don't like going out to discos or anything like that – I always get bored and the music is too loud. I prefer to go for a ride on Tiny – that's my pony.
- 3: My dad is a lighthouse keeper, so you could say I live in the sea! The **lighthouse** is on the very solid rock on the west coast of Wales and near the town of Porth. People think it's very romantic but it's not really. But I've always loved the sea and I love going to sleep to the sound of the waves.
- 4: My family has **a hotel in the country**. It's in the north of Scotland, in the Scottish Highlands. It's quite small but very beautiful. People go there to be quiet, to relax – to get away from noise of the city, the traffic and their stressful lives.
