

They told him, "Don't you ever come around here"

"Don't wanna see your, you better disappear"

The fire's in theirand their words are really clear

So beat it, just beat it

You better, you better do what you can

Don't wanna see no, don't be a macho man

You wanna be, better do what you can

So beat it, but you wanna be bad

Just beat it (beat it), beat it (beat it)

No one wants to be

Show them how funky and is your fight

It doesn't matter who's or right

Just beat it (beat it), just beat it (beat it)

Just beat it (beat it), just beat it (beat it, uh)

They're out to get you, better while you can

Don't wanna be a, you wanna be a man

You wanna stay alive, better do what you can

So beat it, just beat it (rrr)

You have to show them that you're really not

You're playin' with your life, this ain't no truth or

They'll you, then they'll you,

then they'll tell you it's fair

So beat it, but you wanna be bad

Just beat it (beat it), beat it (beat it)

No one wants to be

Show them how funky and is your fight

It doesn't matter who's or right
