

REVIEW LISTENING SEMESTER 2

GRADE 10

UNIT 9

Exercise 1: Nam and Mai are talking about Mai's project on ways to save endangered animals. Listen to the conversation and decide whether the statements are true (T) or false (F).

Sentence	T	F
1. Mai will complete her mid-term project in two weeks.		
2. Nam believes that people should first be made aware of the importance of the problem.		
3. Mai thinks that illegal hunting may not destroy wild animals' natural habitats.		
4. Nam believes that illegal hunting can be prevented by banning wildlife trade.		

Exercise 2: Listen to the conversation again and complete the notes. Use ONE word for each gap.

Ways to save endangered animals

Helping people understand the (1) _____ of the problem

Introducing strict (2) _____ to prevent people from illegal hunting

Banning wildlife (3) _____

Avoiding products made from endangered (4) _____ parts.

Exercise 3: You will hear an interview between the interviewer and Dr. Ancarani, an environmentalist. Decide if each sentence is TRUE or FALSE. You will hear the recording twice.

	Sentence	True	False
1	Biodiversity includes plants, animals, microorganisms, and humans.		
2	An ecosystem is a group of living organisms that interact with each other and their environment.		
3	Tropical forests are less able to deal with fires and floods than less diverse ecosystems.		
4	Ecosystem services include food, water, raw materials, and recreation.		
5	Mangrove forests can help reduce damage caused by storms and floods.		

REVIEW LISTENING SEMESTER 2

GRADE 10

UNIT 10

Exercise 1: Listen carefully and fill in the blanks with the missing words.

Good morning and welcome everyone.

I'm Hoang, your (1) _____ today. I promise you are going to enjoy this (2) _____ tour in the Mekong Delta.

On the first day of our tour, we will start by visiting the famous (3) _____ Floating Market to experience the daily life of the people on the (4) _____.

Our next stop will be a (5) _____ workshop in a Cham River Village where you'll discover the amazing skills of the local people.

In the afternoon, join us on a trip to visit the local arts and crafts market. Here you can buy lovely (6) _____ made by local people.

After a long day, you can enjoy a delicious (7) _____ meal full of traditional foods prepared by your host family.

I would also like to remind you that this is an (8) _____ and we try to reduce our impact on the environment.

So when you are on a boat, please avoid throwing anything into the (9) _____. Please put all your rubbish in the (10) _____ bags here.

Exercise 2: You will hear a talk about ecotourism. Listen and decide whether each statement is True (T) or False (F).

	Statement	T/F
1	Ecotourism is a booming business that many tour operators claim is helpful to nature.	
2	The report was published in Trends in Ecology and Evolution and clearly proves ecotourism is harmless to wildlife.	
3	Researchers mention sea turtles in Costa Rica struggled to lay eggs because many tourists gathered to watch nesting.	
4	The report suggests regular human presence makes animals more cautious, so they face lower mortality from predators.	
5	The authors say it is essential to understand how different species respond to visits and when human exposure increases risk.
