

My Daily Routine- Reading Comprehension.

My name is Teacher Saffron and I would like to tell you about my daily routine. Usually I wake up at twenty past six in the morning, I get out of bed and I go to the bathroom, where I brush my teeth and wash my face. Next, I go to the kitchen, I don't eat breakfast, but I make myself a cup of tea. At around quarter to seven I go to the bedroom, I get dressed, brush my hair, and pack my bag for school. At five to seven I leave the house to go to school. I travel to school by motorbike. I stop at the coffee shop along the way, by this time it's seven ten. After I have got my coffee, I go to school. I arrive at school around seven twenty-five, ready to teach my class at half past seven. At school I teach my morning classes, and we break for lunch at twenty-five past eleven. At lunch-time I leave school to eat my lunch, I usually have a sandwich or a salad and some fruit. Lunch ends at one o'clock, after lunch I teach my afternoon classes. At the end of the day I go home, I leave school at ten to five. When I get home I usually relax for a little while, and then take a shower. I make dinner at half past six and eat my dinner at around seven o'clock. Then, I do some work on my computer. At eight fifteen after I have finished my work I watch some TV, read a book, or I study for a while. I get into bed at around ten o'clock to make sure I get a good night's sleep, being a teacher means I have a busy day, but I love my job so I don't mind!
