Cars' honking sound  
Honk !Honk! Honk!  
Who goes?  
Screech! So dangerous

7.

Wait Wait Wait  
Not Yet!  
Wait for the green light (Be careful!)

Flash Flash  
Raise your hand  
Let's cross the street (Oh,yeah)  
Can't we cross the street now?  
No, it is still red  
Hurry, let's go  
There's no car  
No, stop

Look this way, look that way  
Check both sides and cross  
safely  
A car just passed by  
Oh no, so scary  
Don't run! No,no  
Look around carefully

Slow , slow  
Slow and safe  
Green means safe  
Thank, you green light  
We made it safely! Yeah

It's green  
Flash , Flash  
Hand up  
Let's cross the street carefully  
Look around, Look around  
Left and right  
One step, two steps  
Let's strut across the street

Hold on tight to Mom  
and Dad  
Honk !Honk! Honk!  
Watch out  
Is it red?  
Is it green?
