Timmy the Turtle's Sunny Day

Timmy was a small, green turtle with a brown shell. He loved to swim. His favorite place was a cool pond with edges and big, flat rocks. Every morning, Timmy would slowly slide off his favorite flat rock and jump gently into the water.

He would paddle with his four flippers, exploring the underwater world. He watched a school of tiny fish inside the green seaweeds. Sometimes, he would even spot a bright red dragonfly buzzing above the water. When he got hungry, he would nibble on tender green water plants.

Timmy liked to peek his head out of the water to see if his friend, Freddie the frog, was on a big lily pad. Freddie always had a funny croak to share, so Timmy loved his peaceful life in the pond. It was the perfect home for a happy turtle like him.
