

# Listening Practice

**Mom:** Ricardo, look! We are almost there. The view is much \_\_\_\_\_ beautiful than I expected, right?

**Ricardo:** It's amazing, Mom! Honestly, I \_\_\_ never \_\_\_ such a tall waterfall in my life. I \_\_\_\_\_ many photos of "Cola de Caballo" on Instagram, but the real place is much cooler.

**Mom:** I know! Your sister is so excited. She had \_\_\_\_\_ traveled outside Guadalupe \_\_\_\_\_ today, so this is a big adventure for her.

**Ricardo:** I noticed Dad is focused on his phone. Had he \_\_\_\_\_ bought tickets online before this trip? He looks a bit \_\_\_\_\_.

**Mom:** Well, he has \_\_\_\_\_ for them, but he had never used that specific app before today. He'll be fine.

**Ricardo:** I \_\_\_\_\_ very relaxed during this walk. Is it always this peaceful?

**Mom:** Actually, it is more crowded now than it was \_\_\_\_\_ this morning, but it's still lovely. Had you \_\_\_\_\_ felt this much peace while hiking before?

**Ricardo:** Only at "Cerro de la Silla," but this is definitely different. I \_\_\_\_\_ never \_\_\_\_\_ Santiago this much!
