CHAPTER XI. You can always come back home SEMESTER 2 TP. 2020/2021

NAME :

CLASS :

1. Watch this video!

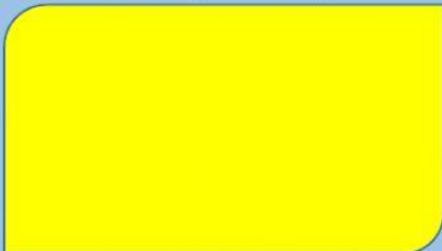

2. Listen to the song!

Please click on the link to listen the song.

What is the message of the song?

Fill in the blanks with the correct word/phrase.

93 million miles from the Sun,
 people get ready get ready,
 'cause here it comes it's a light,
 over the horizon into our eyes
 Oh, my my how beautiful, oh
 She told me, "Son in life you're gonna go far, and if you do it right
 you'll where you are.
 Just know, that wherever you go, you can always"

3. Choose the correct answer!

What is the title of the song?

4. Choose the correct answer!
Who is the singer of the song?

B. Justin Bieber

A. Christian Bautista

D. Jason Mraz

C. Michael Jackson

5. Tick the correct sentences!
Which are the messages of the song?

If you are a good person, you will always be happy wherever you are.

You will be a great person without your parents.

Your parents will always be with you and help you when you have a problem in your life.

Life is not always easy, but don't worry, your parents are always ready to help you.

6. Draw a line from the message of the song with the lyrics!

Message

Lyrics

If you are a good person, you will always be happy wherever you are.

Just know, you're never alone, you can always come back home.

When you find a problem, don't worry, because there is always something that you can learn from it.

Son, in life you're gonna go far, and if you do it right you'll love where you are.

Life is not always easy, but don't worry, your parents are always ready to help you.

Son, sometimes it may seem dark, but the absence of the light is a necessary part.

7. Drag and drop with the suitable sentences!

Arrange the sentences into good lyrics!

Looking deeper through the telescope.

There is always a hand that you can hold on to.

You can see that your home's inside of you.

Every road is a slippery slope.

Four empty yellow boxes for arranging lyrics.
