- The is the joint in the middle of the arm.

III. Read and choose the correct answers. (Đọc và chọn đáp án đúng.)

Why should we eat a variety of foods?

Our bodies need food and water to grow and stay healthy. We need food containing protein, like eggs, beans, fish, meat, and cheese to make our muscles strong. Vegetables are also important for our health. The vitamins and minerals in vegetables help our bodies make new healthy cells and strong bones. Vegetables can come from different parts of plants. Some vegetables are roots, like carrots. Some are leaves, like lettuce. Some are fruits, like tomatoes. Some are seeds, like peas. Different vegetables give us different vitamins, so it is important to eat a variety of foods.

1. Why do we need food containing protein?

- to make our bones strong
- to make our muscles strong
- to make our heads strong

3. Why are the vitamins and minerals in vegetables important to our health?

- Because they help our bodies make new healthy cells and strong bones.
- Because they make our bodies have more health problems.

2. In which food can we have more protein?

- eggs, beans, cheese
- fish and meat
- All are correct.

4. Which parts of plants can we eat as vegetables?

- roots, leaves, seeds
- fruits
- roots, leaves, fruits, seeds

C. Because they help our bodies look more beautiful.

5. Why should we eat a variety of foods?

A. Because we should eat as much as we can.

B. Because all kinds of food are healthy.

C. Because different vegetables give us different vitamins.

CAMBRIDGE LISTENING PRACTICE (5 questions)

<https://soundcloud.com/ms-chi-english/listening-to-describing-people-1>

Listen and draw lines.

The illustration shows a winter scene with several people and objects. Labels are placed around the scene, and lines connect them to the corresponding elements:

- Helen** is connected to the person in the blue jacket pulling a green sled.
- Harry** is connected to the person in the yellow jacket lying on the snow.
- David** is connected to the person in the yellow jacket standing on the right.
- Emma** is connected to the person in the blue jacket sitting in a green boat.
- William** is connected to the person in the green jacket standing next to the snowman.
- Sarah** is connected to the person in the red jacket standing next to the snowman.
- Richard** is connected to the person in the brown jacket standing next to the snowman.
- green** is connected to the sled.
- red** is connected to the person in the red jacket.
- blue** is connected to the person in the blue jacket sitting in the boat.
