1. Read the text and answer the following questions:

Hamda and Shmouq protect the Environment

Hamda and Shmouq care about the world around them. Every day, they protect the environment by making good choices at home and at school. They save energy by turning off lights, fans, and devices when they are not in use.

After school, they play games outside and enjoy nature without harming it. They also reduce waste by using fewer plastic items and bringing reusable bottles and bags.

At school, Hamda and Shmouq recycle plastic to help keep their surrounding clean. They also reuse materials like paper, boxes, and containers for crafts and projects. By doing these simple actions, Hamda and Shmouq show that everyone can help protect the environment every day.
