HUNTRIX - GOLDEN

I was a **ghost**, I was **alone**
어두워진 앞길 속에 (eoduwojin, hah, apgil soge (ha-ah-ah)
Given the throne, I didn't know how to **believe**
I was the **queen** that I'm meant to be
I lived two **lives**, tried to play both **sides**
But I couldn't **find** my own place
Called a **problem** child 'cause I got too wild
But now that's how I'm getting paid **끝없이** (kkeuteopsi) on **stage**
I'm done hidin', now I'm shinin' like I'm **born** to be
We're **dreaming** hard, we came so **far**, now I believe
We're goin' up, up, up, it's our **moment**
You know **together** we're glowin'
Gonna be, gonna be **golden**
Oh-oh-oh, up, up, up with our **voices**
영원히 깨질 수 없는 (yeong-wonhi kkaejil su eomneun)
Gonna be, gonna be golden
Oh-oh-oh, I'm done hidin', now I'm shinin' like I'm born to be
Oh, our time, no **fears**, no **lies**
That's who we're born to be
Waited so long to **break** these **walls** down
To **wake** up and feel like me
Put these **patterns** all in the past now
And finally live like the girl they all **see**
No more hiding, I'll be shinin' like I'm born to be
'Cause we are **hunters**, voices **strong**, and I know I believe
We're goin' up, up, up, it's our moment
You know together we're **glowing**
Gonna be, gonna be golden
Oh-oh-oh, up, up, up with our voices
영원히 깨질 수 없는 (yeong-wonhi kkaejil su eomneun)
Gonna be, gonna be golden
Oh-oh-oh, I'm done **hiding**, now I'm shinin' like I'm born to be
Oh, our **time**, no fears, no lies
That's who we're born to be
You **know** we're gonna be, gonna be golden
We're gonna be, gonna be
Born to be, born to be glowing
밝게 빛나는 우린 (balkke binnaneun urin)
You know that it's our time, no fears, no lies
That's who we're born to be

So refreshin', my little soda pop

Pour me up, I won't stop
You're my soda pop, my little soda pop
My little soda pop
Uh, make me wanna flip the top, 한 모금에 (han mogeume) you hit the spot
Every little drip and drop, fizz and pop, ah, 소름 돋아 (soreum doda) it's gettin' hot (whoo!)
Yes, I'm sippin' when it's drippin' now, it's done? I need a second round
And pour a lot, and don't you stop 'til my soda pop fizzles out

Free (Rumi feat. JINU)

I tried to hide but something broke
I tried to sing, couldn't hit the notes
The words kept catching in my throat
I tried to smile, I was suffocating though

But here with you, I can finally breathe
You say you're no good, but you're good for me
I've been hoping to change, now I know we can change
But I won't if you're not by my side

Why does it feel right every time I let you in?
Why does it feel like I can tell you anything?
All the secrets that keep me in chains and
All the damage that might make me dangerous
You got a dark side, guess you're not the only one
What if we both tried fighting what we're running from?
We can't fix it if we never face it
What if we find a way to escape it?

We could be free, free
We can't fix it if we never face it
Let the past be the past till it's weightless

Oh, time goes by and I lose perspective
Yeah, hope only hurts, so I just forget it
But you're breaking through all the dark in me when I thought that nobody could
And you're waking up all these parts of me that I thought were buried for good

Between imposter and this monster, I been lost inside my head
Ain't no choice when all these voices keep me pointing towards no end
It's just easy when I'm with you, no one sees me the way you do
I don't trust it, but I want to, I keep coming back to

Why does it feel right every time I let you in?
Why does it feel like I can tell you anything?
We can't fix it if we never face it
What if we find a way to escape it?

We could be free, free
We can't fix it if we never face it
Let the past be the past till it's weightless

Oh, so take my hand, it's open (free, free)
What if we heal what's broken? (Free, free)

I tried to hide but something broke
I couldn't sing, but you give me hope
We can't fix it if we never face it
Let the past be the past till it's weightless

YOUR IDOL - SAJA BOYS

Pray for me now
Pray for me now, pray for me now (dies irae illa)
Pray for me now, pray for me now (vos solve in favillam)
Pray for me now, pray for me now (maledictus erus)
Pray for me now, pray for me now (in flammas aeternum)
I'll be your idol

Keeping you in check (uh), keeping you obsessed (uh)
Play me on repeat, 끝없이 in your head
Anytime it hurts (uh), play another verse (uh)
I can be your sanctuary

Know I'm the only one right now (now)
I will love you more when it all burns down
More than power (uh), more than gold (yeah)
Yeah, you gave me your heart, now I'm here for your soul
I'm the only one who'll love your sins
Feel the way my voice gets underneath your skin

Listen 'cause I'm preachin' to the choir
Can I get the mic a little higher?
Gimme your desire
I can be the star you rely on (you rely on)
내 황홀에 취해, you can't look away (yeah)
Don't you know I'm here to save you?
Now we runnin' wild
Yeah, I'm all you need, I'ma be your idol
Uh, 빛이 나는 fame, 계속 외쳐, "I'm your idol"
Thank you for the pain, 'cause it got me goin' viral

Uh, yeah, 낫지 않는 fever, makin' you a believer
나를 위해 넌 존재하는 아이들
Don't let it show, keep it all inside
The pain and the shame, keep it outta sight
Your obsession feeds our connection
이 순간, give me all your attention

You know I'm the only one who'll love your sins
Feel the way my voice gets underneath your skin
Listen 'cause I'm preachin' to the choir
Can I get the mic a little higher?
Gimme your desire
I can be the star you rely on (you rely on)
내 황홀에 취해, you can't look away (yeah)
Don't you know I'm here to save you?
Now we runnin' wild
Yeah, I'm all you need, I'ma be your idol

Living in your mind now
Too late 'cause you're mine now
I will make you free (I will make you free)
When you're all a part of me

preachin' to the choir
(Now) can I get the mic a little higher?
Gimme your desire
Watch me set your world on fire (world on fire)
내 황홀에 취해, you can't look away (yeah)
No one is coming to save you
Now we runnin' wild
You're down on your knees, I'ma be your idol
