Hi, Craig!

What about going to the cinema this weekend? I'm visiting my grandparents on Sunday, so how about Saturday? I really want to see the new Dracula because I like scary films and I've heard it's really good. What do you think? It's on at 5.45 and 8.15. My parents and I are going to a restaurant for dinner in the evening, so the earlier time is better. Can you wait for me in the cinema café inside? We can have a snack before the film. Please remember to take your student's card with you so we can get student's tickets!
