Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

The way we work is changing rapidly. In the past, many people worked in factories or offices. Today, more and more people are working from home or in other flexible locations. This is due to the rise of technology, which has made it possible to connect with people and access information from anywhere in the world.

One of the biggest changes in the world of work is the increasing importance of skills. In the past, it was often possible to get a job without having any specific skills. However, today employers are looking for people who have the skills and knowledge needed to succeed in their roles. This means that it is more important than ever to get a good education and to develop your skills throughout your career.

Another important change is the rise of the gig economy. This refers to the growing number of people who are working on a **freelance** or contract basis. The gig economy offers a lot of flexibility, but it can also be challenging to find consistent work and income.

Despite these challenges, the future of work is looking bright. There are many new opportunities **emerging**, and technology is creating new jobs that didn't exist before. With the right skills and attitude, it is possible to have a successful and rewarding career in the modern world of work.

Question 31: What is the main idea of the passage?

A. The gig economy is replacing traditional jobs.
B. The Rapid Changes in the World of Work.
C. The Future of Technology for Work.
D. The impact of technology on modern work.

Question 32: What does the writer use to explain each point in the passage?

A. Numbers and examples
B. Symbols and list

LIVEWORKSHEETS

C. Examples and comparison D. Quotes (other people's words)

Question 33: The word "**freelance**" in the last paragraph 3 is OPPOSITE in meaning to:

A. full-time. B. official employee C. sales staff D. part-time.

Question 34: The word "**emerging**" in the last paragraph 4 is CLOSEST in meaning to:

A. vanishing B. appearing C. reducing D. repeating

Question 35: Which of the following is NOT mentioned as a factor changing the workplace?

A. The importance of skills. B. The rise of technology.

C. The gig economy. D. The decrease in education levels.

Question 36: What final comment does the author make about the future of work?

A. The future of work is uncertain and worrying.

B. There will be fewer job opportunities due to technology.

C. New opportunities are emerging despite the challenges.

D. Only people with university degrees will succeed.

Four phrases/ sentences have been removed from the text below. For each question, mark the letter A, B, C, or D on your answer sheet to indicate the correct option that best fits each of the numbered blanks from 37 to 40.

A Journey Through Time

Visiting historical sites offers a unique glimpse into the past, (37) _____ who lived before us. Last summer, I had the opportunity to explore the ancient city of Pompeii in Italy. Walking through the well-preserved streets (38) _____.

One of the most striking features of Pompeii is its intricate network of homes, shops, and public spaces. The frescoes on the walls and the artifacts left behind paint a vivid picture of Roman life. I remember standing in the amphitheater, imagining the crowds cheering during gladiatorial games. It was a (39) _____.

This journey not only deepened my appreciation for ancient cultures but also reminded me of the transient nature of human existence. Reflecting on the lives of those who walked the same paths centuries ago, (40) _____.

[Adapted from https://linguapress.com/intermediate/elizabeth-II.htm]

A. humbling experience to be in a place where history was so tangible

B. I could almost hear the echoes of daily life from centuries ago

C. I gained a renewed perspective on the importance of cherishing the present moment

D. allowing us to connect with the experiences of those
