Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

Taking a break from work or school to go on a holiday or vacation is important for many people. Whether it's a quick weekend trip to a nearby city or a long vacation to a tropical beach, holidays give us time to relax and **recharge**. During vacations, people can explore new places, try different foods, and experience various cultures. This time away from daily routines also helps reduce stress and improve mental health.

However, planning a vacation can sometimes be stressful. Finding the right destination, booking flights or hotels, and managing travel budgets are common challenges. Some people prefer to stay close to home, while others enjoy traveling abroad for new adventures. Despite the difficulties, many agree that vacations are a great way to escape everyday life and spend quality time with family and friends.

In recent years, "**staycations**" have become more popular, where people relax and explore their own cities instead of traveling far. Whether it's a short trip or a long vacation, holidays offer a great opportunity to relax and have fun.

Question 31. What is the main idea of the passage?

- A. Holidays are only for exploring new places.
- B. Taking vacations helps reduce stress and improves well-being
- C. Planning a vacation is not important.
- D. Most people prefer 'staycations' over traveling abroad

Question 32. The word "**recharge**" in paragraph 1 is CLOSEST in meaning to:

- A. become active again
- B. lose energy
- C. work harder
- D. become tired

Question 33. Which of the following is a benefit of vacations?

- A. Vacations increase stress levels.
- B. Holidays give people time to relax and improve mental health.
- C. Vacations always involve traveling abroad.
- D. Most people avoid planning vacations.

Question 34. The word "**staycation**" in paragraph 3 refers to:

- A. a vacation far from home
- B. staying at home without traveling
- C. traveling to another country
- D. a business trip

Question 35. Which of the following is TRUE about holidays?

- A. Holidays are only for exploring new countries.
- B. Vacations are always easy to plan.
- C. Staycations are becoming more popular.
- D. Traveling abroad is more relaxing than staying close to home.

**Question 36.** What are some common challenges of planning a vacation?

- A. Finding the right destination
- B. Booking flights or hotels
- C. Managing travel budgets
- D. All of the above

**Four phrases/ sentences have been removed from the text below. For each question, mark the letter A, B, C, or D on your answer sheet to indicate the correct option that best fits each of the numbered blanks from 37 to 40.**

### HEALTHY LIVING TODAY

Living a healthy life is becoming more popular around the world. (37)\_\_\_\_\_. In the past, people didn't pay as much attention to their diet and exercise. However, now more individuals are focusing on their health by eating balanced meals and staying active. Regular physical activity and healthy eating habits can prevent many diseases and improve overall well-being.

(38)\_, many people are joining fitness classes or participating in sports. This not only helps them stay fit but also provides a social aspect that encourages consistency. Simple habits like walking instead of driving and eating more vegetables can make a big difference.

While maintaining a healthy lifestyle can sometimes be challenging, (39)\_\_\_\_\_. People believe that even small changes can lead to big improvements over time. With better access to health information and fitness resources, it's easier than ever to make healthier choices.

(40) \_\_\_\_\_, the future of public health looks promising as more people adopt healthy habits and work towards a better quality of life.

- A. For example
- B. People are now more aware of how to take care of their health
- C. With continued effort
- D. it is believed that every step counts
