Subject: My Special Interest

Hello!

My special interest is origami. It is an amazing art form. You can make wonderful models just with paper!

I started origami three years ago. Some kids were unkind to me at school and I didn't have many friends. After a horrible day, I found a book about origami on the sidewalk. So in the end, I was very lucky that day! I found a new interest that made me very happy. I think it is very relaxing.

Here is an unusual result of doing origami. Normally I have a very untidy room because I don't like cleaning it. But origami helped me to be tidy because I have to focus and be organized!

I go to an origami club every Thursday. Last month, I met a lovely group of friends there! We help each other make different shapes and watch videos about origami.

I think everyone should have a special interest because it makes life better.

Bye!
Rose
