

No smoke with no fire
No silence if there's no [redacted]
One way or another
You're going to put me out
Drinks flowing like water
Too drunk to turn off the light
Stay under the [redacted]
(Oh) who knows how we'll end the night

Just don't hang your [redacted] on me
I wanna feel something
God, you look so pretty
When you tell me that you love me

I wish that I could lie
But my mind gets in the way
I know you think that I'm
Always way too [redacted]
Oh, we could never be together
But it's nice to play [redacted]
I wish that I could lie
But I'm way too self-aware

Mood swings like the weather
Body's under [redacted]
Oh, I love the way you're using your imagination
Laws of attraction
Put 'em into practice

just don't hang your hopes on me
I wanna feel something
God, you look so [redacted]
When you tell me that you love me

I wish that I could lie
But my mind gets in the way
I know you think that I'm
Always way too self-aware
Oh, we could never be [redacted]
But it's nice to play pretend
I wish that I could lie
But I'm way too self-aware
