

FUN TIME!

Listen and choose the correct option

Fun time is my time,
It's your time too!
Fun time for choldre/ everyone,
So many things/hobbies to do!
Listening/dancing to music,
Playing the guitar/recorder
These are things I like to do.
Rollerblading/Painting and
watching TV,
Using the internet too.
Doing karate/ exercise is very good,
And going to the park/zoo.
But my favourite thing is reading
storybooks/comics,
At night when it's dark.
