

# FUN TIME!

## Listen and choose the correct option

Fun time is my time,  
It's your time too!  
Fun time for children / everyone,  
So many things / hobbies to do!  
Listening / dancing to music,  
Playing the guitar/recorder  
These are things I like to do.  
Rollerblading / Painting and  
watching TV,  
Using the internet too.  
Doing karate/ exercise is very good,  
And going to the park / zoo.  
But my favourite thing is reading  
storybooks / comics,  
At night when it's dark.
