

Summary of the Play (6th Primary – Easy English)

Emily and Jack travel to Las Vegas with their friends and families because they want to get married there. Everyone is excited, especially Emily, Madison and Kate, who love the crazy and glamorous hotel.

The boys also enjoy Las Vegas and decide to play in the casino. However, two thieves, Ruby and Scarlet, secretly steal watches, wallets and casino chips from them.

Later that night, Jack loses all the wedding money while gambling. He feels terrible and stays alone outside the casino. Suddenly, two kidnappers try to kidnap him, but Jack escapes and runs away.

Jack goes to Emily's room and tells her everything: he lost the money and someone tried to kidnap him. Emily, Madison and Kate are shocked and decide to ask everyone for help.

The next morning, everybody meets in the hotel lobby to discover the truth. Ruby and Scarlet explain that they heard a woman planning the kidnapping. In the end, Mrs. Wilson, Jack's mother, confesses that she wanted to stop the wedding because she did not like Emily.

Finally, Elvis gives Emily and Jack some important advice. He tells them that perfect weddings do not exist and that love needs time and patience. Emily and Jack decide not to get married yet and enjoy dancing together with their friends instead.

The play ends with everyone happier, calmer and ready to start again.
