

EMILY'S WEEKLY ROUTINE

This is Emily. She is a 12-year-old student who is cheerful, active, and creative. She enjoys music, sports, dancing, and spending time with her family and friends. During the week, Emily studies at school and also has many fun hobbies and routines after classes.

On Monday, Emily wakes up at 7 o'clock, has breakfast with her family, and goes to school together with her brother. In the afternoon, she does her homework and watches TV in the evening.

On Tuesday, Emily gets dressed before breakfast and goes to school. After school, she plays basketball with her friends at the sports center. At night, she brushes her teeth and goes to bed at 10 o'clock.

On Wednesday, Emily dances with her friends at the community center. Later, she listens to music and talks to her cousin on the phone before dinner.

On Thursday, Emily studies at school and then plays the guitar with her classmates. In the evening, she helps her mother clean the living room and takes a shower before bed.

On Friday, Emily and her family have dinner together at home. After dinner, they watch a movie and play board games.

On Saturday, Emily walks the dog in the morning and cooks with her family in the afternoon. Sometimes they eat at a restaurant together.

On Sunday, Emily relaxes at home, plays video games with her brother, cleans her room, and prepares everything for the next week.

1. Reading comprehension
