

*First, I visited the Eiffel Tower, It was very tall and beautiful.*

*Then, I took the elevator and saw the whole city. I felt happy and relaxed*

*Next, I walked near the river. I saw artists painting and boats passing by.*

*Later, I went to the Louvre Museum. I saw the Mona Lisa, she was smaller than I expected!*

*After that, I ate a delicious croissant and drank coffee in a small café.*

*Finally, I watched the Eiffel Tower at night. The lights were magical. It was the perfect ending to my imaginary trip.*
