Do you like farms? You can have fun on a farm. Some farms have got lots of animals. Farms have also got fields of grass you can run in. You can ride on a tractor, too.

Do you like pizza? It's delicious! In some places, there are pizza farms. On these farms, farmers grow everything to make pizza. They've got cows for cheese and meat. They grow wheat plants for the pizza dough. They grow tomatoes, too.

You can sometimes eat pizza at the pizza farm. It's great!
