Last month, my family and I went to Yogyakarta for a short vacation. We went there by train and stayed in a hotel near Malioboro.	
On the first day, we visited Borobudur Temple. We saw many beautiful stupas and took some photos there. The scenery was amazing.	
After that, we went to the local market. We bought some traditional souvenirs and tried delicious food like <i>Gudeg</i> .	

In the evening, we enjoyed the sunset at Parangtritis Beach. It was very windy but we felt so relaxed and happy.	
Finally, we went back home on Sunday. Even though we were tired, it was the best holiday experience we ever had.
