Protecting the Earth

Ali and his sister Sara learn about protecting the environment at school. They want to help the Earth, so they start making small changes at home. Every day, they **save energy**. Ali turns off the lights and the TV when he leaves the room. Sara tells her family to use less electricity. This helps keep the Earth clean.

They also **reduce waste**. They do not throw rubbish on the ground. Instead, they use less plastic and try to keep their home clean. When they have plastic bottles, they put them in the **recycling bin**.

At the weekend, they **clean the park** near their house and **plant small trees**. They feel happy because they are helping the Earth.

Turn off the lights and TV.

Use less electricity.

Do not throw rubbish.

Use less plastic.

Put plastic bottles in the recycling bin.

Clean the park and plant trees.
