We <sup>1</sup>are on holiday in the Carpathian Mountains in Romania.  
Mum and Dad <sup>2</sup>don't like hotels – that is why we <sup>3</sup>are in a tent.  
It <sup>4</sup>is a bit cold at night, but we <sup>5</sup>enjoy staying in the tent.  
It <sup>6</sup>is Saturday – our last night of the holiday.  
Everyone in my family <sup>7</sup>is tired, but I <sup>8</sup>don't want to go to sleep.  
I <sup>9</sup>want to tell stories. We <sup>10</sup>are in our sleeping bags.  
Then there <sup>11</sup>is a noise. Everyone <sup>12</sup>listens.  
There <sup>13</sup>is the noise again! <sup>14</sup>Is it a bear?  
At that moment my sister <sup>15</sup>walks into the tent. 'Surprise!'
