A is happening

B is it happening

C happening is

10 Who \_\_\_\_\_ the key to?

A has given

B you are giving

C did you give

## Reading

### Holiday stories

#### A

We were really looking forward to arriving at the holiday apartment we had booked near the beach on a beautiful Greek island. However, when we arrived, we were quite annoyed to find that nobody had cleaned the place. We tried to phone the holiday company to complain but it was Sunday and nobody answered our calls. I spent two hours cleaning the place myself. Then there was a knock on the door. It was the holiday rep. She explained that we were in the wrong apartment. We had opened the wrong door – both apartments could be opened by the same key. When we packed our bags and moved next door, it was really clean!

#### B

A few years ago, we went to Mexico on holiday. It was our first holiday with our two young daughters, Megan and Kate. We had brought a really big bag full of clothes for them. However, when I opened the bag, I couldn't believe what I saw. There were no clothes in it – just some toys, a doll, some toilet paper and small plastic balls. I thought, for a moment, that my husband had played a joke. Then I realized that the two girls had repacked the bag. I had left it in their room. Megan had removed the clothes and put her favourite things in it instead! I wasn't annoyed. I just laughed and laughed. But we had to go and buy new clothes for the girls!

C Two years ago, my husband and I went on a beach holiday in the Caribbean. On the last day, we decided to book a day trip on a boat. When we arrived in the harbour, we asked which boat was ours and were told to get on a big white boat. It wasn't what we had expected. There was a bar on the boat and a lot of balloons with 21 written on them. Lots of people started getting on the boat until it was really crowded. They all seemed to be in their twenties and from Brazil. Before long, the boat set off. It was then that somebody asked us if we were Luis' grandparents. It was only then that we realized we were on the wrong boat and that we were on a party boat for Luis' 21st birthday.

The boat trip lasted five hours and the music was very loud, but we had a great time. I'm 67 and my husband's 74. We don't usually go to such exciting parties.

**5 Read three short stories about things that went wrong on holiday. Match the questions to the stories (A, B or C). There is an example at the beginning (0).**

**In which story ...**

- 0 do we know on which day of the week the event happened?     A
- 1 did somebody want other people to solve the problem?
- 2 did somebody have a better time than expected?
- 3 did somebody do something they didn't need to do?
- 4 did somebody have to spend money?
- 5 did the event happen near the end of the holiday?
- 6 did somebody have to change where they were staying?
- 7 did somebody feel a bit angry?
- 8 was the storyteller in a place with people she didn't know?
- 9 did somebody do a lot of housework?
- 10 did somebody think that what happened was funny?
