What are you going to do this summer?

The Orléans Summer Camp is the best place to come and spend time having fun and making new friends. We have teenagers from all over the world, so it's a great opportunity to learn about a new language or culture. Are you adventurous? Maybe you want to try some different food?

There are many activities you can choose from, such as kayaking on the lake, or rock climbing on the cliffs. Unfortunately, swimming in the lake is not allowed. The camp is in a forest, so you are going to be living with nature, and will wake up to the sound of birds singing.

We open our camps in July, and we are open until September. The most popular month is August, so we recommend booking early. Everything is included in the price. We have life jackets, helmets and every piece of safety equipment you might need. Call or email for more information.
